**Re:** 2007 Juvenile Accountability Block Grants (JABG) Funding

The Corrections Standards Authority (CSA) is pleased to announce the federal JABG funding for fiscal year 2007/2008. The federal Office of Juvenile Justice and Delinquency Prevention has posted the JABG funding for California, including the direct allocations for 39 jurisdictions. Once again there has been a slight decrease in the funding level.

Included with this letter is a funding chart identifying the jurisdictions that are eligible to receive a direct award based on federal formula. Jurisdictions listed will be notified when the application packet is available from CSA, including the timeline to prepare your documents. As is customary practice, the application will be released in the spring, and will follow a similar format as last year's application document. The funding cycle for this program is a 12-month period beginning July 1, 2007 and ending June 30, 2008.

As in previous years, a qualifying unit of local government may waive its right to a direct subgrant award and request that the funds be awarded to, and expended for its benefit by, a larger or contiguous unit of local government.

Should you have any questions regarding this funding notice, please contact the JABG Coordinators – Mike Barber (916/445-5792; [mike.barber@cdcr.ca.gov](mailto:mike.barber@cdcr.ca.gov)) or Leslie Heller (916/323-8618; [leslie.heller@cdcr.ca.gov](mailto:leslie.heller@cdcr.ca.gov)).
